## Connectors and cables

### Cable connector M23, 12-pin, without cable

#### Features

- Cable connector M23 with external thread
- EMV version

#### Part number

11082621 Cable connector M23, 12-pin, without cable  
(Z 141.W01)

#### Technical data

|                       |                        |
|-----------------------|------------------------|
| Core cross-section    | Max. 1 mm <sup>2</sup> |
| Cable entry           | Solder                 |
| Cable entry           | ø3...10.5 mm           |
| Operating temperature | -40...+100 °C          |

#### Dimensions
